EMBA Nuc gift certificate

TO:

FROM:

- A nucleus colony (nuc) is a good way to start beekeeping. A nuc is a small established colony of honey bees that, with luck, will make surplus honey in its first year.
- Each nuc comes in a five frame box and will have about three pounds of bees, including an unmarked queen.
- **MAKE SURE TO RESERVE YOUR NUC! YOU MUST GO ONLINE** and enter your gift certificate code at checkout to make sure you receive a nuc on the pick-up day specified by the EMBA.
